

Performance & Capability

- **2.5L Turbo DOHC SIDI Engine with Variable Valve Timing (VVT)** – Delivers 328 hp and 442 Nm of torque for a balanced combination of power and efficiency.
- **8-Speed Automatic Transmission** – Offers smooth, responsive shifting for enhanced driving performance.
- **McPherson Strut Front Suspension & Independent 5-Link Rear Suspension** – Provides a refined ride with improved handling and comfort.
- **Dual Outlet Exhaust with Bright Tips** – Adds a sporty look while enhancing performance.
- **Chassis, All-Wheel Drive System with AWD Disconnect** – Optimizes efficiency by disconnecting AWD when not required.
- **Heavy-Duty Cooling System** – Ensures the engine operates within optimal temperatures under demanding conditions.
- **Skid Plate (Steel)** – Protects the underbody during off-road adventures.
- **Trailer Package** – Includes a heavy-duty cooling system, Hitch View, Hitch Guidance, 220-amp alternator, and factory-installed hitch with a 5,000 lbs towing capacity.

Safety & Driver Assistance

- **Hill Descent Control & Hill Hold Assist** – Provides control on steep declines and prevents rollback.
- **Hitch Guidance & Hitch View** – Simplifies trailer hitching with clear visual assistance.
- **StabiliTrak Stability Control with Traction Control** – Helps maintain control in slippery conditions.
- **Electronic Precision Shift** – Button-based column-mounted transmission for intuitive gear selection.
- **Electronic Parking Brake** – Adds convenience with effortless activation.
- **Rear Park Assist & Rear Pedestrian Detection** – Alerts to nearby obstacles and pedestrians when reversing.
- **Side Bicyclist Alert & Rear Cross Traffic Braking** – Enhances awareness of approaching vehicles and cyclists.
- **Blind Zone Steering Assist** – Helps prevent unintended lane changes by steering the vehicle back into the lane.
- **Adaptive Cruise Control** – Maintains a set distance from the vehicle ahead for stress-free highway driving.
- **Lane Keep Assist with Lane Departure Warning** – Provides steering corrections to stay in the lane.
- **Forward Collision Alert & Enhanced Automatic Emergency Braking** – Detects potential collisions and applies brakes if necessary.
- **Intersection Automatic Emergency Braking** – Adds braking support in intersections to avoid collisions.
- **Safety Alert Seat** – Vibrates to alert the driver to potential hazards.
- **LATCH System** – Ensures secure installation of child safety seats.

- **Buckle to Drive** – Prevents shifting out of Park until the driver's seat belt is fastened.
-

Infotainment & Technology

- **15" GMC Premium Infotainment System with Google Built-In** – Includes navigation, a multi-touch display, and wireless Apple CarPlay/Android Auto for easy connectivity.
 - **11" Driver Information Center** – Features a high-contrast display with customizable information.
 - **Bose Premium 12-Speaker Audio System with Subwoofer** – Delivers exceptional sound quality for an immersive listening experience.
 - **HD Surround Vision** – Provides a 360-degree view to help with parking and maneuvering.
 - **Wireless Charging** – Conveniently charges compatible devices without the need for cables.
 - **Multiple USB Ports** – Includes front, second-row, and third-row ports for easy charging and data transfer.
 - **Active Noise Cancellation** – Reduces unwanted cabin noise for a quieter driving experience.
 - **Head-Up Display** – Displays important driving information on the windshield for easy viewing.
-

Comfort & Convenience

- **Tri-Zone Automatic Climate Control** – Individual temperature settings for the driver, front passenger, and rear seat occupants.
 - **Heated Front Seats & Heated Steering Wheel** – Provides warmth and comfort in cold weather.
 - **7-Passenger Seating with Smart Slide 2nd-Row Captain's Chairs** – Offers easy access to the third row and maximizes flexibility.
 - **Power Folding 3rd-Row Seats** – Expands cargo space with a convenient one-touch folding feature.
 - **Power Liftgate with Smart Sense Hands-Free Access** – Opens with a simple foot motion for hands-free loading.
 - **Steering Column, Tilt & Telescopic** – Allows for personalized adjustment for the driver's comfort.
 - **Universal Home Remote** – Controls garage doors and other compatible devices.
 - **Power Outlets (230V & Cargo Area)** – Offers additional charging options for devices and tools.
 - **Rear Seat Reminder** – Alerts the driver to check the back seat before exiting.
 - **Panoramic Sunroof** – Expands the view and enhances the cabin's open-air experience.
 - **Memory Package** – Recalls 2 presets for the power driver seat and outside mirrors.
-

Exterior & Appearance

- **20" All-Season Tires** – Durable and designed for a variety of driving conditions.

GMC Acadia Denali

- **Brushed Aluminum Roof Rails** – Adds versatility and a stylish touch to the vehicle's exterior.
- **LED IntelliBeam Headlamps** – Automatically adjusts high beams based on surrounding traffic for optimal visibility.
- **Body-Color Door Handles & Shark Fin Antenna** – Contributes to the vehicle's sleek and cohesive exterior look.
- **Rear Camera Washer** – Keeps the rear camera lens clean for optimal visibility.
- **Uplevel Ambient Interior Lighting** – Adds a sophisticated touch to the cabin.
- **Panoramic Sunroof with Sunshade** – Enhances the open-air experience and adds to the vehicle's luxurious feel
