

Performance & Capability

- **1.5L Turbo DOHC 4-Cylinder Engine** – Delivers 175 hp @ 5,800 rpm and 275 Nm of torque @ 2,000–4,000 rpm, featuring Spark Ignition Direct Injection (SIDI) and Variable Valve Timing (VVT).
- **8-Speed Automatic Transmission** – Electronically controlled with overdrive and Electronic Driver Shift Control for smooth, responsive shifting.
- **Drive Mode Selector** – Allows the driver to customize vehicle performance based on road and terrain conditions.
- **Hill Descent Control** – Assists in maintaining a safe and steady speed when descending steep grades.
- **Final Drive Axle Ratio – 3.47** – Optimized for a balance of performance and fuel economy.
- **Automatic Stop/Start** – Automatically shuts off the engine at stops to improve fuel efficiency.
- **Single Stainless Steel Exhaust** – Features a hidden, turned-down tip for a clean rear design.
- **Brake System** – Includes 16" front and rear sliding caliper disc brakes, FNC-coated rotors for corrosion resistance, brake lining wear indicator, and automatic vehicle hold for added control.

Exterior & Appearance

- **17" Grazen Metallic Machined Aluminum Wheels** – Stylish and durable wheels with a modern finish.
- **235/65R17 All-Season Tires** – Designed for year-round performance and comfort.
- **17" Compact Steel Spare Wheel & Tire** – Includes T125/70R17 blackwall emergency-use tire.
- **LED Headlamps with Auto On/Off** – Enhances visibility with automatic light activation.
- **LED Tail Lamps** – Modern lighting design for improved visibility and style.
- **LED Front Fog Lamps** – Improves front visibility in poor weather.
- **High Gloss Black Mirror Caps** – Adds a sporty and upscale exterior accent.
- **Heated, Power-Adjustable Side Mirrors** – Provides visibility in cold weather with manual folding function.
- **Solar-Absorbing Windshield & Rear Side Glass** – Minimizes heat buildup for interior comfort.
- **Manual Rear Liftgate** – Offers easy access to cargo.
- **Body-Color Door Handles** – Blends seamlessly into the vehicle's exterior.
- **Rear Window Electric Defogger** – Clears rear glass quickly in damp or cold weather.
- **Active Grille Shutters** – Upper and lower shutters optimize aerodynamics and fuel efficiency.
- **Mechanical Jack & Tools** – Provided for spare tire use and roadside needs.

Comfort & Convenience

- **Front Bucket Seats** – Contoured seats designed for driver and passenger comfort.
- **6-Way Manual Driver Seat Adjustment** – Offers adjustable height, recline, and forward/backward movement.
- **4-Way Manual Front Passenger Seat Adjustment** – Provides reclining and fore/aft adjustment.
- **Heated Front Seats** – Adds comfort during colder months.
- **Heated Sport-Style Steering Wheel** – Offers warmth and sporty styling for enhanced grip.
- **Single-Zone Automatic Climate Control** – Maintains a consistent cabin temperature.
- **Second-Row Air Vents** – Delivers airflow directly to rear passengers.
- **Power Windows** – Includes express-up/down for driver and express-down for all passengers.
- **Rear Center Armrest & Headrest** – Increases comfort and support for rear-seat occupants.
- **Seatback Map Pockets** – Convenient storage behind front seats.
- **Passive Entry & Extended Range Lock Control** – Keyless access with extended signal range.
- **Remote Start with Panic Alarm** – Pre-starts the vehicle for added comfort and includes panic function.
- **Remote Locking Fuel Filler Door** – Locks automatically for added security.

Infotainment & Technology

- **15" Premium GMC Infotainment System** – Features Google Built-In, navigation, apps, and voice recognition.
- **11" Digital Driver Information Center** – High-contrast, multi-color digital display for key driving data.
- **2-Speaker Digital Audio System** – Basic audio setup with DAB/DAB+/DMB-R compatibility.
- **Wireless Apple CarPlay & Android Auto** – Offers wireless smartphone connectivity for media and navigation.
- **USB Ports** – Includes 1 Type A + 1 Type C in front (data/charging) and 2 Type C in rear (charging only).
- **12V Power Outlet in Cargo Area** – Convenient outlet for powering small accessories.
- **Vehicle Health Management** – Monitors system status and alerts the driver to potential maintenance needs.

Safety & Driver Assistance

- **Airbags** – Includes frontal, seat-mounted side, and head-curtain airbags for all outboard seating positions.
- **Passenger Sensing System** – Detects occupancy and adjusts airbag deployment.

- **Adaptive Cruise Control** – Maintains safe following distance automatically.
- **Forward Collision Alert** – Warns of a potential front-end collision.
- **Following Distance Indicator** – Displays time gap to the vehicle ahead.
- **Lane Keep Assist with Lane Departure Warning** – Gently steers the vehicle back into the lane if drifting occurs.
- **Blind Zone Steering Assist** – Provides steering support when a vehicle is detected in a blind spot.
- **Rear Park Assist** – Alerts the driver to obstacles while reversing.
- **Rear Seat Reminder** – Notifies the driver to check the rear seats before exiting.
- **Safety Alert Seat** – Uses seat vibrations to alert the driver of potential hazards.
- **Enhanced Automatic Emergency Braking** – Helps avoid or reduce the severity of frontal collisions.
- **Intersection Automatic Emergency Braking** – Provides braking support during intersection turns.
- **Rear Cross Traffic Braking** – Applies brakes when cross-traffic is detected while reversing.
- **Reverse Automatic Braking** – Helps avoid collisions by automatically braking when reversing.
- **Front Pedestrian & Bicyclist Braking** – Detects and can brake for pedestrians and cyclists ahead.
- **Side Bicyclist Alert** – Alerts driver to approaching cyclists from the side.
- **HD Surround Vision** – Offers a 360-degree bird's-eye view for easier maneuvering.
- **Rear Pedestrian Alert** – Alerts the driver when a pedestrian is detected behind the vehicle.
- **Rear Camera Mirror with Washer** – Provides a full camera-based rear view with integrated cleaning system.
- **New Driver Mode** – Allows customized safety settings based on driver profile.
- **Occupant Detection System** – Detects front and rear occupants to ensure all passengers are secured.
- **Seat Belts & Restraints** – Includes 3-point belts, pretensioners, adjustable loops, and child seat-compatible locking retractors.
- **Technology Package II** – Includes Rear Pedestrian Alert, HD Surround Vision, Rear Camera Mirror with Washer, and Front LED Fog Lamps.

Dimensions

- **Length:** 4,597 mm
- **Height:** 1,944 mm
- **Width:** 1,892 mm
- **Wheelbase:** 2,730 mm
- **Ground Clearance:** 146 mm
- **Curb Weight:** 2,200 kg
- **Fuel Tank Capacity:** 71L
