## 2025 MY

### PERFORMANCE & CAPABILITY

- 6.2L V8 Engine: EcoTec3 engine with Dynamic Fuel Management, Direct Injection & Variable Valve Timing; delivers 420 hp and 460 lb-ft of torque.
- 10-Speed Automatic Transmission: Electronically controlled with overdrive, Electronic Precision Shift, and Traction Select (includes tow/haul mode).
- Active 2-Speed Autotrac Transfer Case: Electronically controlled with rotary dial and neutral mode for dinghy towing.
- Electronic Limited-Slip Differential (eLSD): Enhances traction and control across challenging terrain.
- Power Steering: Provides responsive handling.

### SUSPENSION

- Magnetic Ride Control: Continuously adjusts damping for improved ride and handling.
- Air Ride Adaptive Suspension: Automatically adjusts ride height for comfort, efficiency, and capability.
- Front Suspension: Coil-over-shock with stabilizer bar for precise control.
- Rear Suspension: Multi-link with coil springs to ensure a smooth ride.

### SAFETY & DRIVER ASSISTANCE

- Comprehensive Airbag System: Includes front, seat-mounted side, inboard driver-side, and head-curtain airbags for all rows.
- Blind Zone Steering Assist & Lane Keep Assist: Active safety support to maintain lane position and avoid blind spot collisions.
- Adaptive Cruise Control: Maintains safe following distance automatically.
- Enhanced Automatic Emergency Braking: Includes intersection and pedestrian/bicyclist detection.
- Parking Assistance: Enhanced Automatic Parking Assist and Reverse Automatic Braking for added confidence.
- Rear Cross Traffic Braking & Rear Pedestrian Alert: Helps prevent backing collisions.
- Driver Monitoring: Driver Attention Assist and Safety Alert Seat for proactive safety.
- Security Features: Advanced theft-deterrent system and Advanced Security Package (incl. self-powered horn, glass break sensors, movement/inclination sensors).
- Tire Pressure Monitoring System: With auto-learn and Tire Fill Alert.
- StabiliTrak Stability Control: Includes trailer sway control and brake assist.
- Hill Start Assist & Hill Descent Control: Aids control on inclines and declines.
- Hitch Guidance: Makes trailer hookup easier and safer.
- LATCH System: Securely installs child safety seats in second and third rows.
