PERFORMANCE & CAPABILITY

- 5.3L EcoTec3 V8 Engine – Powerful V8 with 355 hp and 383 lb-ft torque; features Direct Injection, Variable Valve Timing, and Dynamic Fuel Management for efficient performance.
- 10-Speed Automatic Transmission – Smooth-shifting transmission with Traction Select System and tow/haul mode; includes Electronic Precision Shift for a modern, intuitive feel.
- Active 2-Speed Transfer Case – Electronic Autotrac system for automatic shifting between 2WD and 4WD, including neutral mode for flat towing.
- Mechanical Limited-Slip Differential – Improves traction by sending power to the wheel with the most grip.
- Power Steering – Offers precise and effortless handling, especially at low speeds.

SUSPENSION

- Premium Smooth Ride Suspension – Designed to absorb road imperfections for a comfortable drive.
- Front Coil-Over-Shock with Stabilizer Bar – Provides enhanced stability and control during cornering.
- Rear Multi-Link Suspension with Coil Springs – Contributes to improved ride quality and rear passenger comfort.

SAFETY & DRIVER ASSISTANCE

- Comprehensive Airbag System – Includes front, side-impact, and head-curtain airbags for all outboard seating rows.
- Passenger Sensing System – Automatically turns off front passenger airbag if the seat is unoccupied or occupied by a small child.
- Blind Zone Steering Assist – Helps avoid collisions with vehicles in your blind spot by gently adjusting steering.
- Adaptive Cruise Control – Maintains a preset distance from the vehicle ahead by automatically adjusting speed.
- Enhanced Automatic Emergency Braking – Helps reduce or avoid front-end collisions by applying emergency braking.
- Enhanced Automatic Parking Assist – Assists in parallel and perpendicular parking with steering, braking, and gear changes.
- Forward Collision Alert – Warns of a possible front-end collision to allow time for reaction.
- Front Pedestrian & Bicyclist Braking – Detects pedestrians and cyclists and can apply brakes automatically.
- Side Bicyclist Alert – Warns of approaching cyclists when turning or changing lanes.
- Intersection Automatic Emergency Braking – Detects cross traffic and brakes automatically at intersections.
- Lane Keep Assist with Lane Departure Warning – Helps you stay in your lane and alerts you if you drift unintentionally.
- Rear Cross Traffic Braking – Detects crossing vehicles while reversing and applies brakes to avoid collisions.
- Rear Pedestrian Alert – Warns of pedestrians behind the vehicle when in reverse.
- Reverse Automatic Braking – Automatically brakes if a rear collision is imminent while reversing.

GMC YUKON ELEVATION

2025 MY

- Safety Alert Seat – Provides seat vibrations to alert the driver of potential dangers.
- Rear Seat Reminder – Alerts you to check the back seats before exiting the vehicle.
- Electrical Theft-Deterrent System – Protects against unauthorized vehicle entry.
- Tire Pressure Monitoring System – Notifies you when a tire is under-inflated; includes Tire Fill Alert.
- Hill Descent Control & Hill Start Assist – Helps maintain control on steep slopes and prevents rollback when starting uphill.
- Hitch Guidance – Simplifies trailer hitching with guidelines on the rear camera display.
- StabiliTrak Stability Control – Enhances control during sudden maneuvers, includes trailer sway and brake assist.
- Rollover Sensing – Prepares airbags and safety systems when a rollover is detected.
- LATCH Child Seat System – Provides secure attachment points for child safety seats in second and third rows.

COMFORT & CONVENIENCE

- Tri-Zone Automatic Climate Control – Individual temperature settings for driver, front passenger, and rear occupants.
- Remote Start & Keyless Entry – Start your vehicle remotely and access without removing the key fob.
- Keyless Push-Button Start – Start the engine with the press of a button.
- Cooled Front Console with Storage – Custom cooler-style console with covered storage compartment.
- Auto-Dimming Rearview Mirror – Reduces glare from headlights behind you.
- Power Windows (Express-Up/Down) – One-touch open/close for front windows; rear windows feature Express-Down.
- Illuminated Vanity Mirrors – Built into sun visors for both front occupants.
- Overhead Assist Handles – Added support for driver and passengers when entering or exiting.
- Wireless Phone Charging – Conveniently charges compatible smartphones without cables.
- Interior Lighting Package – Includes dome lights, entry lighting, cargo lamps, and map lights.
- Color-Keyed Floor Mats (Removable) – Carpeted mats for front and second rows, matched to the interior.

SEATS

- Leather-Appointed Seating – Premium leather seats offer luxury and durability.
- Front Bucket Seats – Individual, contoured seats with center console in between.
- 8-Way Power Driver Seat with Memory – Remembers two preset positions for seat, mirrors, and steering column.
- 2-Way Power Lumbar for Driver – Enhances lower back support during long drives.
- 6-Way Power Front Passenger Seat – Offers comfort and adjustment flexibility.
- Heated Second-Row Outboard Seats – Keeps rear passengers warm during colder months.
- Second-Row Power-Release Bench – 60/40 split bench with quick power-release for easy third-row access.
- Power-Folding Third-Row Bench – Conveniently folds flat for extra cargo space at the press of a button.

EXTERIOR & APPEARANCE

- 20" Satin Graphite Wheels – Striking machined and painted aluminum wheels for bold style.
- Black Assist Steps with Gloss Black Inserts – Adds function and contrast styling for easy entry.
- Chrome Door Handles with Body-Color Strip – Adds upscale visual appeal.
- Front LED Fog Lamps – Improve visibility in poor weather conditions.
- Laminated Windshield & Front Door Glass – Reduces noise and improves cabin comfort.
- LED Headlamps with DRLs – Includes walk-up lighting and animated effects.
- Animated LED Tail Lamps – Stylish and modern rear lighting with motion sequences.
- IntelliBeam Auto High Beams – Automatically switches between high and low beams based on traffic.
- Power Programmable Liftgate – Opens and closes the rear liftgate at the press of a button.
- Bright Roof Rails & Chrome Bodyside Moldings – Adds utility and a polished finish to the vehicle profile.
- Body-Color Mirror Caps with Turn Signals – Heated, power-folding mirrors include puddle lighting and auto-dimming driver side.
- Rear Camera Mirror Washer – Keeps the rear camera mirror lens clear for better visibility.
- Bright Sill Plates – Protect entry points while enhancing premium look.

INFOTAINMENT & TECHNOLOGY

- 11" Digital Driver Information Display – Customizable, high-contrast screen behind the steering wheel.
- 16.8" Premium GMC Infotainment Touchscreen – Includes Google built-in, navigation, multi-touch, and personalized profiles.
- Bose 10-Speaker Surround System with CenterPoint – Delivers rich, immersive audio for all passengers.
- Wireless Apple CarPlay & Android Auto – Seamless smartphone integration without plugging in.
- Multiple USB Ports (Charge/Data) – Front, center console, and rear third-row ports for convenience.
- HD Surround Vision Camera – Gives a bird's-eye view of your surroundings for easier parking and maneuvering.
