

X-TRAIL

2023

RYMCO
RASAMNY YOUNIS MOTOR CO.

A woman with dark curly hair, wearing a light-colored blazer over a white top and dark pants, is walking across a paved city street. She is carrying a black bag and looking towards the right. To her right, a silver Nissan X-TRAIL SUV is parked. The background features a modern building with large glass windows and some trees with autumn-colored leaves. The scene is lit with warm, golden light from the setting or rising sun, creating long shadows on the pavement.

Get to living. Go X-TRAIL

The family crossover that's just as thrilling solo. Generous cargo space, advanced connectivity features, and a never-ending capacity for adventure.^{1,2} This is the Nissan X-TRAIL.

Nissan X-TRAIL® Platinum AWD shown in Two-tone Champagne Silver Metallic / Super Black with LED fog lights.

Three genius displays, so many pixels at play

Start with the available Head-Up Display in the upper-left corner,⁴ then drop your gaze to the digital dashboard — twelve inches of available vibrant data right behind the steering wheel.⁵ A third display, the available 9" infotainment screen, sits just to the right.⁶ Together, they offer nearly three feet of digital information, allowing you to configure X-TRAIL to what you need in the moment. Now look again. See how each display is positioned to give you the info you want? This is customization — pixel by pixel.

You heard it here first Bose, a leader in high-fidelity sound systems, designed an available highly customized listening experience for X-TRAIL. Based on proprietary design and the acoustical analysis of the cabin, Bose brings the power of sound to every seat.

Room for five, plus space for the biggest personalities

Pick your seat and relax. Building a crossover from the ground up is about more than premium amenities. It's about designing an experience, where family and friends feel welcome and any size personality fits in. So enjoy the available soft semi-aniline leather appointments, the available rear USB ports, and the available Tri-Zone Automatic Temperature Control. Revel in rear doors that open almost 90° for easier entry. And amaze everyone with the view from the available Dual Panel Panoramic Moonroof.

In the cargo area, it's easy to configure the space. With the available Divide-N-Hide® cargo system, a set of adjustable dividers gives you six different configurations. You can construct everything from a private storage area to a series of layered shelves. So get in there and mix it up.¹

Nissan X-TRAIL® Platinum AWD shown in Charcoal Quilted Semi-aniline Leather with optional equipment.³

Dial up the adventure

Meet Nissan's most capable X-TRAIL yet. An available Intelligent All-Wheel Drive system with direct coupling reacts almost instantly to help enhance stability and traction.⁷ With so many possibilities in front of you, there's virtually no limit to where you can go. That's why X-TRAIL offers up to five drive modes for practically every scenario. Choose Auto Mode to handle your everyday drive, or select one of the specialized modes to help you tackle more-challenging conditions.

Off-Road Mode From gravel to sand to dirt, available Off-Road Mode is uniquely tuned to help you get up to speed. By balancing the transmission and throttle response, Rogue tailors your all-terrain experience for maximum confidence.

Snow Mode If one of your favorite routes has fresh powder, available Snow Mode is engineered to help you make fresh tracks. It knows to back off on the throttle and shift to a higher gear ratio, helping you stay in control.

Eco Mode Like its name implies, Eco Mode is engineered to help boost fuel economy.⁸ When selected, engine and Xtronic CVT® (Continuously Variable Transmission) controls change to help you drive as efficiently as possible.

Sport Mode The fun starts here, especially if you're about to take on a series of curves. Dial up Sport Mode and the X-TRAIL responds with tighter steering and sharper throttle response. You respond with growing confidence and huge grins as you enter every twist and turn.

tread lightly!

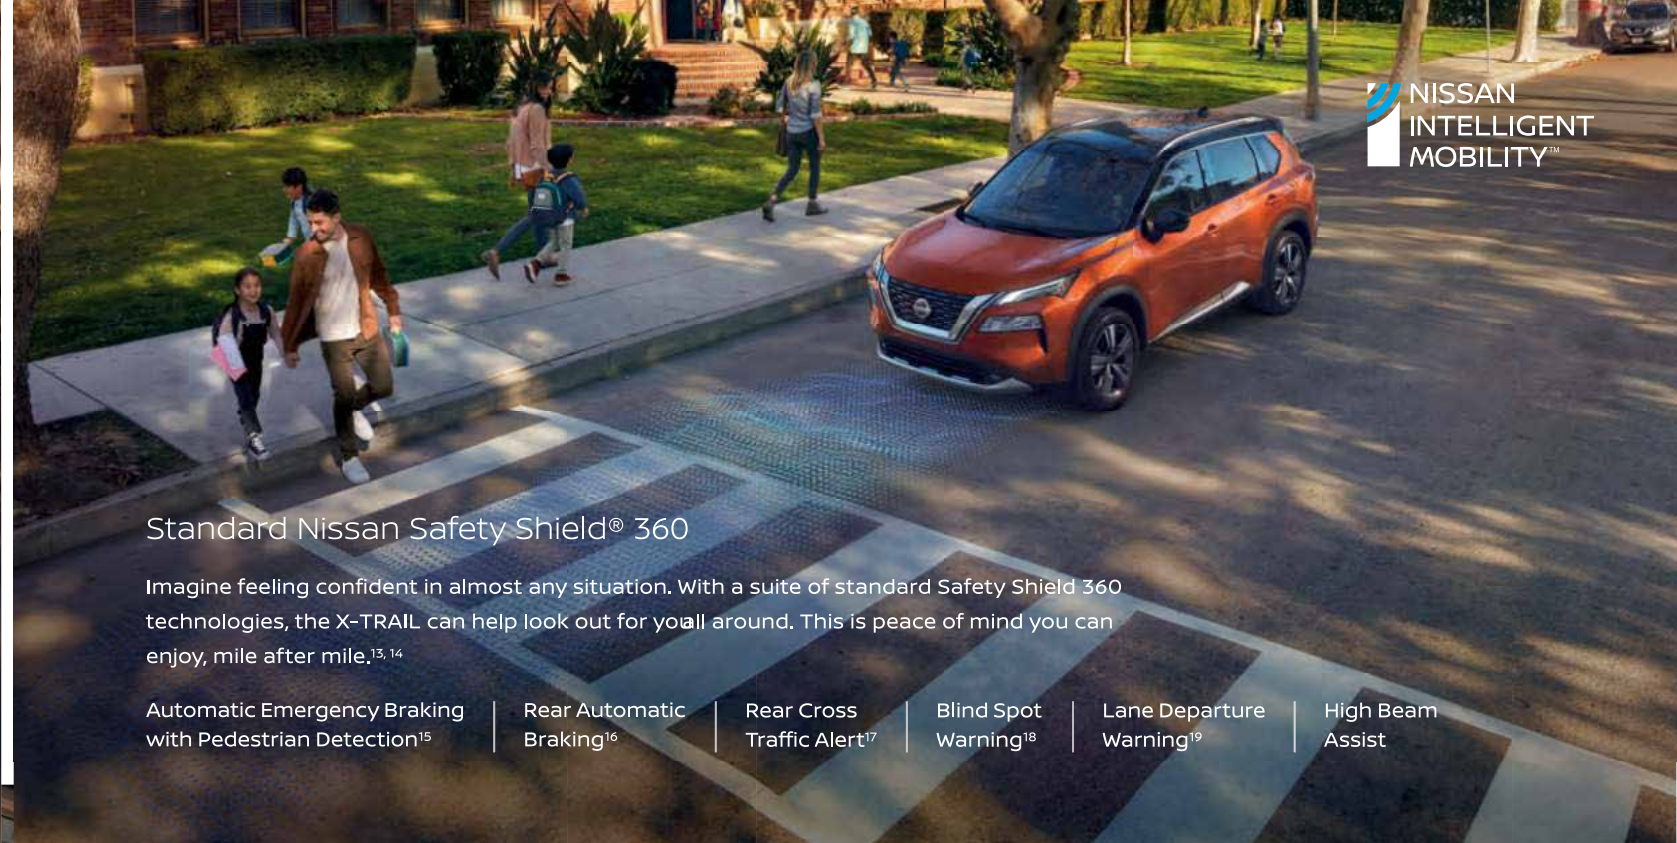

Nissan X-TRAIL® Platinum AWD shown in Two-tone Pearl White TriCoat / Super Black with Splash Guards, Chrome Rear Bumper Protector, Rear Underbody Trim, Roof Rail Crossbars,^{1, 9} and Affiliated: Yakima® ForkLift — Fork Mounted Bike Rack.^{1, 10}

Power or efficiency? Yes

37 | 201 | 225
hwy mpg⁸ | horsepower | lb-ft of torque

Go X-TRAIL with the kind of numbers designed to exhilarate your soul and satisfy your conscience. It starts with the revolutionary Variable Compression Turbo (VC-Turbo[®]) engine that can deliver low-compression, turbocharged power and then transform to provide high-compression efficiency.⁸ All of which means you get the best of both worlds in one engine. Thrilling power. Long-distance efficiency. No compromise.

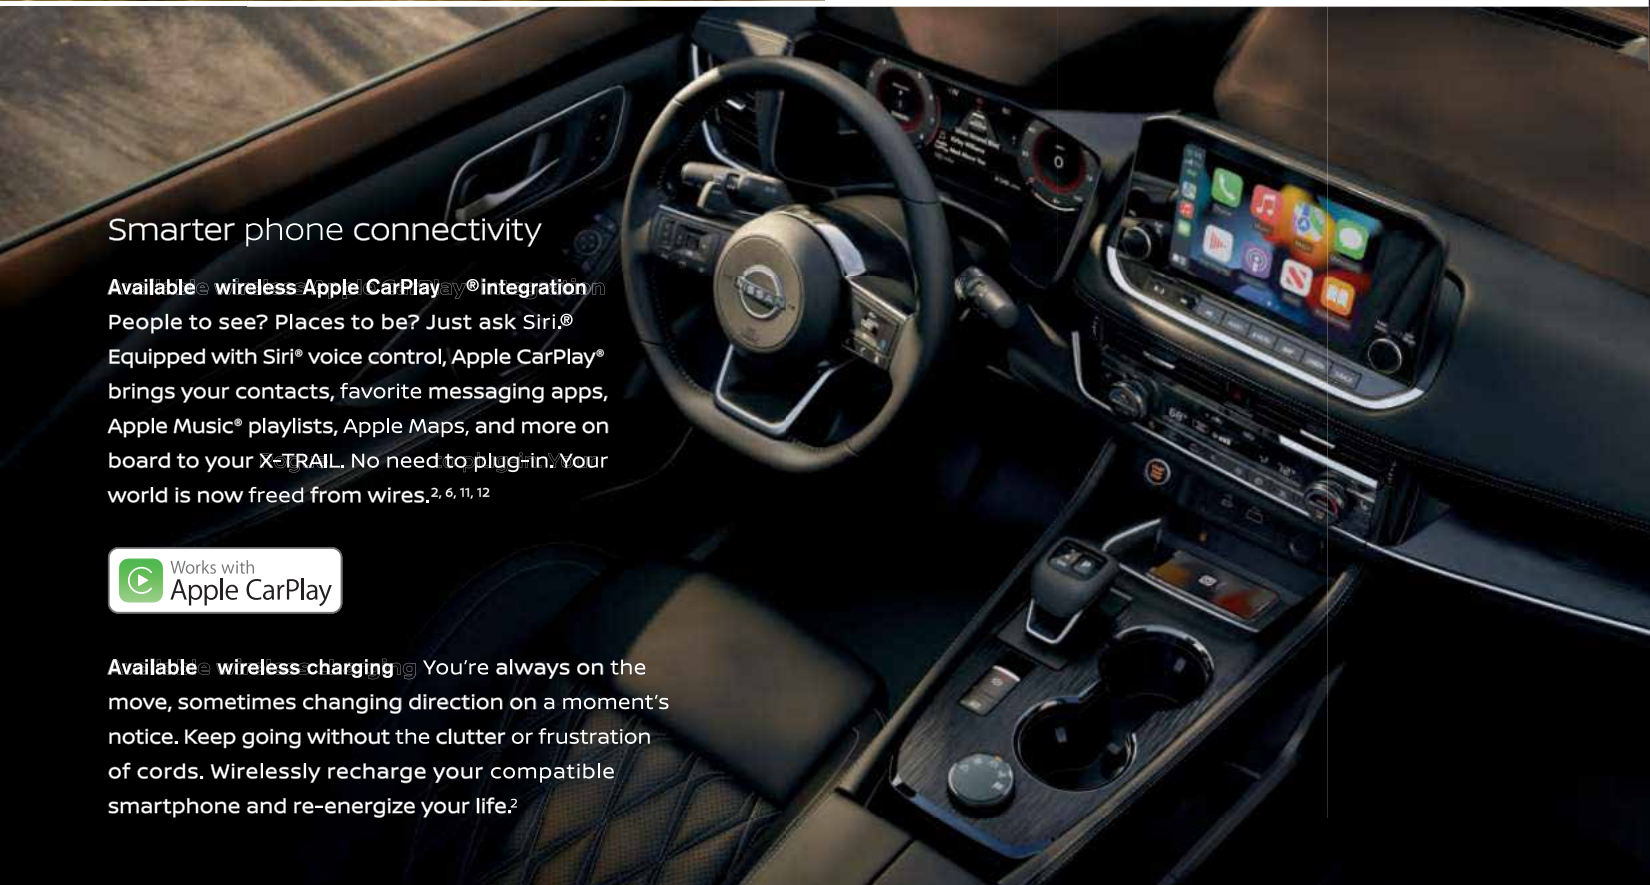

NISSAN
INTELLIGENT
MOBILITY™

Standard Nissan Safety Shield[®] 360

Imagine feeling confident in almost any situation. With a suite of standard Safety Shield 360 technologies, the X-TRAIL can help look out for you all around. This is peace of mind you can enjoy, mile after mile.^{13, 14}

Automatic Emergency Braking with Pedestrian Detection ¹⁵	Rear Automatic Braking ¹⁶	Rear Cross Traffic Alert ¹⁷	Blind Spot Warning ¹⁸	Lane Departure Warning ¹⁹	High Beam Assist
--	--------------------------------------	--	----------------------------------	--------------------------------------	------------------

Smarter phone connectivity

Available⁹ wireless Apple CarPlay[™] integration¹¹
People to see? Places to be? Just ask Siri.[®]
Equipped with Siri[®] voice control, Apple CarPlay[®]
brings your contacts, favorite messaging apps,
Apple Music[®] playlists, Apple Maps, and more on
board to your X-TRAIL. No need to plug-in. Your
world is now freed from wires.^{2, 6, 11, 12}

Available⁹ wireless charging¹⁰ You're always on the
move, sometimes changing direction on a moment's
notice. Keep going without the clutter or frustration
of cords. Wirelessly recharge your compatible
smartphone and re-energize your life.²

Available ProPILOT Assist with Navi-link

You may not know what's ahead but with ProPILOT Assist
with Navi-link, the X-TRAIL is on .

Available ProPILOT Assist helps you navigate stop-and-go
freeway traffic while also helping to keep you centered in
your lane.²⁰ Opt for ProPILOT Assist with Navi-link, and the
concept of hassle-free driving rises to a new level.²⁰

By utilizing freeway mapping, available ProPILOT Assist with
Navi-link is able to "read the road." What it does with that
information gives you a totally new perspective.²⁰

- Helps smooth the way for upcoming turns, junctions, and off-ramps by adjusting your speed
- Can track posted speed limits with the ability to alter your set speed accordingly
